DANIELSON AND PUTNAM NEWS

DANIELSON

F. E. Storer, for the past eight years eashier of the Windham County National bank, has handed in his resignation to the board of directors, having been elected a director and first vice president of the Thompsonville Trust company. Thompsonville, Conn. This action on the part of a very capable cashier comes as a great surprise to the residents of this rown, as during his occupancy of his office he has made very many warm friends through his pleasing personality and willingness to assist his customers in

every capacity possible. Mr. Storer came to Danielson from the ual Shawmut bank of Boston and through his persistency and close atten-tion to bank matters the bank has flour-ished, as is evidenced by the fact that its deposits have increased from approximately \$500,000 to over \$1,500,000. The assets of the bank have risen from approximately \$750,000 to \$2,000,000.

It was with a great deal of reluctance that, Mr. Storer has severed his connecwith the Windham County National k, which has so recently colebrated its 100th anniversary, as he has at all times enjoyed the most cordial relations with his board of directors, superior ofcors, clerks, and the general public. But he considered the opportunity in Thompsonville so attractive that he felt duty bound to accept the position as first vice
